

Radiant Heat Warmer RHW 3000 series Wins Gold Medical Design Excellence Award

Mumbai, India (June 8, 2011) – Zeal Medical Pvt. Ltd. is proud to announce that our product **Radiant Heat Warmer RHW 3000 series** has received a **Gold 2011 Medical Design Excellence Award** in the category of General Hospital Devices and Therapeutic Products. The RHW3000 is an open-bed radiant heat warmer for premature babies. A unique reflector design ensures uniform heating to the baby and not to the caretaker.

The Medical Design Excellence Award competition (www.MDEAwards.com) is organised and presented by UBM Canon (Los Angeles) and is the only awards program that exclusively recognizes contributions and advances in design of medical products. Entries are evaluated on the basis of their design and engineering features, including innovative use of materials, user related functions that improve healthcare delivery and change traditional medical attitudes or practices, features that provide enhanced benefits to the patient, and the ability of the product development team to overcome design and engineering challenges so that the product meet its clinical objectives.

A comprehensive review of the entries was performed by an impartial, multidisciplinary panel of third-party jurors with expertise in biomedical engineering, human

factors, industrial design, medicine and diagnostics. **For jurors comments please visit:** www.mddionline.com/article/medical-device-design-crossroads

“We are honoured to be recognised by the MDEA judges,” Shailesh Patel, Director, Zeal Medical Pvt. Ltd. (Mumbai, India).

**MDEA Awards Ceremony held on Wednesday, June 8, 2011
in New York City's J.K. Javits convention centre.**
