

PREVIOUS MDEA SPONSORS

Companies that have sponsored the **Medical Design Excellence Awards (MDEA)** program are among the largest and most notable suppliers to the medical device industry. They understand the importance of innovation in medical products, and they are dedicated to providing goods and services to support such innovation. With their participation as sponsors of the MDEA program, the companies listed below have confirmed their commitment to this industry. The organizers of the MDEA competition thank them for their contributions, which help to make this awards program possible.

For information about sponsorship opportunities for the MDEA program, contact Rick Rosenberg at 973/808-1221 or via e-mail at rick.rosenberg@ubm.com.
