## The Organisers

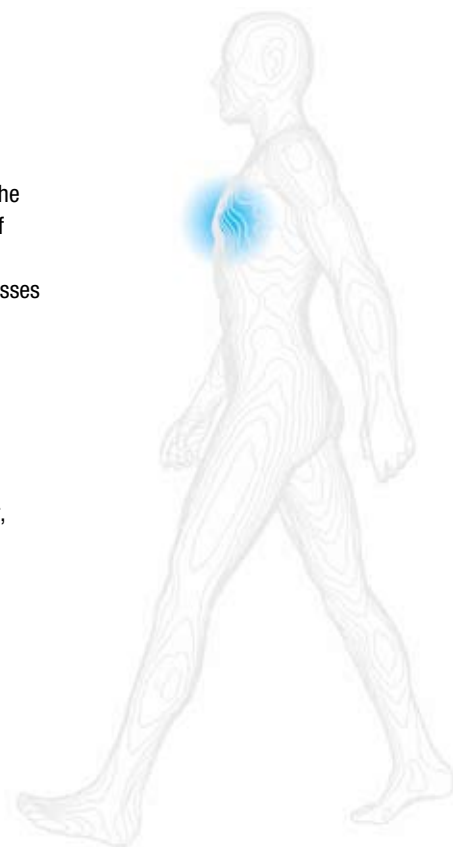

### *A World Leader in Medical Device Communications*

UBM Canon, the leading B-to-B media company dedicated exclusively to the global \$3 trillion advanced manufacturing sector, helps support the flow of information, commerce and innovation in such sophisticated segments as medical devices and pharmaceutical development. UBM Canon also addresses cutting-edge developments in broader areas of advanced engineering design and manufacturing, and manufacturing processes and packaging.

UBM Canon's portfolio of events for the healthcare manufacturing sectors includes MEDTEC, MD&M, BIOMEDevice, and Pharmapack.

UBM Canon also publishes a multitude of industry magazines, including European Medical Device Technology, China Medical Device Manufacturer, Japan Medical Design and Manufacturing Technology, Medical Device and Diagnostic Industry and Medical Product Manufacturing News.

With this unique media portfolio, UBM Canon is able to connect over 3,500 medical-device industry suppliers with more than 100,000 design and manufacturing professionals every year.
