

Presentation Slides Submission Instructions

Session slides are a requirement of all session speakers at DesignCon. They are of utmost value to attendees, and will be made available to them to download and review. You are **REQUIRED** to use the official DesignCon Speaker Slide template as per the signing of your speaker agreement. Failure to do so may result in your session being excused from the program.

****NOTE for Panels-** Panel organizers- please work with your panelists to submit ONE PDF for your entire group. If you are a panelist and not sure if you need a presentation, please contact your panel organizer.

Slides must be submitted for all sessions by DECEMBER 22, 2017 11:59PM PST. Below are instructions for formatting and upload of presentation slides.

*******IF YOU HAVE CHANGED THE TITLE OF YOUR PAPER/SESSION FROM YOUR ORIGINAL PROPOSAL, YOU MUST EMAIL [HEATHER LOBAO](#) WITH THE CHANGE. OTHERWISE, YOUR SLIDES MAY BE REJECTED. *******

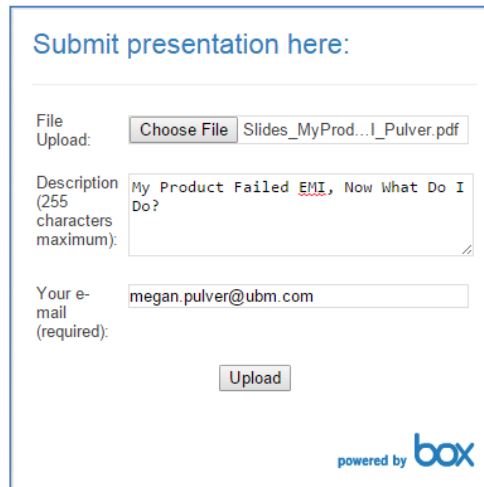

- **Format # 1: PDF ONLY**
 - The PDF version of the presentation slides will be made available to attendees for download and review. You are **REQUIRED** to use the official DesignCon Speaker Slide template.
- **File Naming:** SLIDES_Track#_FirstFiveWordsOfSessionTitle_YourLastName.pdf
Ex) SLIDES_12_MyProductFailedEMI_Pulver.pdf
- **Description:** In the Description, please put the title of your session and enter your email address.
- **Add Page Numbers to Slides and Notes:** When you add slide numbers, all slides are included in the slide count, including hidden slides. If you print notes, page numbers are included.
 - On the **Insert** tab, click **Header & Footer**
 - In the **Header and Footer** box, on the **Slide** tab, select the **Slide number** check box, and then in the **Starts at** box, type the page number that you want to start with on the first slide.
 - Click **Apply to All**.
 - **NOTE:** The only way to exclude hidden slides from the count is to manually number each visible slide. Add a text box to each slide and then add the page numbers to each text box.
